

DISCOVERY

REF.NO. 7H107AF

Fully adjustable harness, especially designed for adventure park, climbing schools and via ferrata.

Main features:

- extremely light weight, strong and easy to wear;
- equipped with 3 buckles allowing a complete adjustment on both leg loops and waist belt;
- belay loop in orange color, clearly visible, so to reduce the risk of wrong tying-in;
- large side gear loop.

TECHNICAL FEATURES

One size	Lumbar circumference 60 ÷ 125 cm	Thigh width 35 ÷ 85 cm	 350
